

The Settlers High School

8 July 2020

Dear Grade 10 Parents

GRADE 10 RETURN TO SCHOOL ON 13 JULY 2020

We hereby wish to inform you that we are ready to receive our Grade 10 learners on Monday 13 July 2020. We have submitted the necessary deviation documentation to the WCED as, we are concerned about them missing out on too much teaching, and we have all safety protocols in place.

Attached to this letter is the updated times and program for Monday 13 July. The Grade 10 learners must bring books for Afrikaans, English and Mathematics or Mathematics Literacy on Monday. Please also make sure that you familiarise yourself and your child with all the information in the Covid-19 FET Information Circular as well as the video that the school sent out last week. Learners who deviate from the safety protocols, will be sent home as we cannot allow anyone to compromise the safety of fellow learners and staff.

We look forward to Monday.

Yours sincerely

Ms Hall
Deputy Principal

The Settlers High School
