

The Settlers High School

10 July 2020

Dear Grade II Learners and Parents

Grade II Assessments

We trust that you and your family are well and coping under the circumstances.

We have received the revised assessment requirements for Grade II and have to start with formal assessments as soon as possible.

Attached is an outline of all assessment tasks, assignments and formal standardised tests. The Assessment timetable is subject to change as we navigate the management of COVID-19 at our school.

It is important to note that these assessments and tests are a compulsory component of the School Based Assessment mark for each subject. Therefore, learners must follow the same procedure if they are ill, i.e. submit a medical certificate if they are absent/ or provide evidence that they are self-isolating if they were in contact with a positive Covid-19 individual.

Special arrangements will be made for learners with co-morbidities to complete all their assessment tasks.

Please feel free to contact me should you have any queries and concerns.

Kind Regards

Mrs M De Kock
Head of English
Head of Assessment and Exam Operations
