

## The Settlers High School

19 June 2020

Dear Grade 12 Learners and Parents

### **Grade 12 Assessments**

We trust that you and your family are well and coping under the circumstances.

We have received the revised assessment requirements for Grade 12 and have to start with formal assessments as soon as possible.

Attached is an outline of all assessment tasks, assignments and formal standardised tests, which will be completed in the next two weeks. The Assessment timetable will be updated and issued on a weekly basis as we navigate the management of COVID-19 at our school.

It is important to note that these assessments and tests are a compulsory component of the School Based Assessment mark for each subject. Therefore, learners must follow the same procedure if they are ill, i.e. submit a medical certificate if they are absent/ or provide evidence that they are self-isolating if they were in contact with a positive Covid-19 individual.

Special arrangements will be made for learners with co-morbidities to complete all their assessment tasks.

Please feel free to contact me should you have any queries and concerns.

Kind Regards

Mrs M De Kock  
Head of English  
Head of Assessment and Exam Operations
