

## The Settlers High School

24 April 2020

Dear Settlers Family

We trust you are doing well and enjoying family time together despite being in lockdown.

It has however come to our attention that many of our families are struggling to make ends meet at this time due to the lockdown. Some parents have lost their jobs and no longer have a source of income to support their families and therefore cannot put food on the table. Hunger is a very real issue in some of our Settlers households.

A number of our learners also do not have access to data which has meant that they have not been able to obtain all the lessons, schoolwork, and links to teaching videos posted on Google Classroom over the last month.

We are appealing to our learners, parents, past pupils, staff and friends of The Settlers High School to open your hearts to our plea and donate to our **Settlers Families Support Fund**. At this stage we are looking for monetary donations as we are unable to receive goods due to the lockdown situation.

Once we have more mobility, we will set up a collection point at our school for donations of foodstuffs, toiletries, stationary, and possibly items of clothing and blankets now that winter is approaching.

To donate please EFT directly into our school bank account.

If you have any queries please do not hesitate to contact Ms Tracy Magson on [MT@settlers.org.za](mailto:MT@settlers.org.za) who will be heading up the administration of this Settlers Families Support Fund.

We wish you and your family all the best as we continue in lockdown. Our teachers miss their 'children' and look forward to having them back in class as soon as is possible. Stay safe and take care of yourself and your loved ones.

Together we will all be able to get through this difficult time.
