

The Settlers High School

7 August 2020

Dear Matric 2020 Parents and Guardians of The Settlers High School

I hope that you are well and this communication finds you and your family in good health. The year 2020 will forever be remembered in our history going forward due to Covid-19. The world has evolved with precautionary personal health measures becoming the new norm, distance learning on the increase, remote working becoming imperative and the leveraging of technology to ensure sustainability.

On behalf of the SGB of The Settlers High School we would like to commend our Matric Learners of 2020, their parents, guardians, educators, staff and their families for their resilience and resolve during these difficult times. The Settlers High School has made every effort to ensure that your child is safe and all precautionary measures are in place so that our educators can deliver quality education at school. To date we have not had any learners contracting Covid-19 whilst at school and we sincerely hope that this trend continues.

We would also like to thank all parents and guardians for their continued support in paying your child's school fees, especially during these tough times. This has ensured that we can procure the necessary PPE, maintain the school and the necessary running expenditure. We do, however, fully understand that some parents and guardians may encounter difficult times during this period and would like to urge you to make contact with the school timeously to discuss outstanding fees and options available. Our staff are ready and willing to assist you. All school fee related correspondence/queries can be emailed to schoolfees@settlers.org.za. We are deeply reliant on school fees as our main resource to ensure that The Settlers High School remains viable and well equipped so that our learners receive the best possible education.

On behalf of the SGB of The Settlers High School we would like to wish all our Matric 2020 learners every success with their examinations and may you all be successful in your career paths in the future.

Do take care and keep safe.

Kind regards

A handwritten signature in black ink, appearing to read 'Ahmed', is written below the text 'Kind regards'.
