22 September 2020

Dear Parents

Following the success of the Covid-19 Initiative the PTA is starting a new campaign named the “**Adopt a Family Initiative**” as we are aware that there are still a few Settlers families that are experiencing hardship due to the Covid-19 pandemic. We will be distributing food hampers made up from funds donated by the Settlers community.

To help us achieve our goal, we are challenging every class to collect R500 or more.

Donations will be used to purchase the essential items to make up a grocery hamper and vegetable combo to the value of R500. See attached list.

You may donate cash or simply purchase a R100 Shoprite/Checkers voucher.

No donation is too small.

Please place your donation in an envelope with your child's name and class on it. Money and vouchers can be placed into the locked box with Mrs Siebert at reception. Distance learners can drop off their donations when they come into school for assessments or class tests.

The deadline for donations is Monday 05 October 2020.

As always, we would like to thank you in advance for your generosity and willingness to help out - it is much appreciated and needed.

We continue to hold the entire Settlers community and their loved ones in our prayers during these difficult days. Stay safe and stay strong.

Yours sincerely

Sharlene Adams
