### 2. MESSAGE FROM MRS GALLIE

Dear Settlers Family

I am back at school and returned officially to work on Wednesday 12 August after a lengthy stay in hospital and then further recovery at home. I want to extend a humbled and heartfelt gratitude to my Settlers family for the overwhelming love, support and prayers during my illness. I believe it was this collective synergy that helped me through Covid pneumonia and my subsequent recovery. <https://youtu.be/WCmosoPhxZA>

I want take this opportunity to extend a huge thank you to TSHS Management team for making sure the school stayed on track despite some trying and unsettling covid times. A special thank you to Mrs Hall and Mr Smuts for taking up the lead and keeping the ship on course. We are blessed to have such an effective and efficient management team in place.

I look forward to having the entire school back in the classroom (albeit in a fragmented way) and engaging with the learners. We really miss them.

Please continue to keep the Settlers family in your prayers as we continue to navigate uncharted territory. Stay safe.

Kind regards

Mrs Gallie
