COVID-19

UPDATE

HELP
STOP
THE
SPREAD
AND STAY HEALTHY

21 August 2020

Dear Parents, Learners and the extended Settlers family

COVID-19 UPDATE #11

A new lockdown level started this week, a new season is approaching and a new look Covid school for the GET learners starts next week. We are excited to welcome the grade 8's and 9's back to school. It has been almost four and a half months since they were last on site. Parents and learners of these grades are reminded to read the communique posted on Monday 17 August in preparation for a smooth transition back to school.

Social distancing is something the learners have to continuously work at and we do not want Covid fatigue to become a reality. Please continue to remind your learners to wear a mask, to social distance and keep everyone safe.

Although we have NO new Covid infections to report in the last two weeks, please keep the Settlers family in your prayers as we continue to traverse uncharted waters. Stay safe.

Kind regards

Mrs Gallie
Principal
